

REMARKS

Applicants have replaced the pending claims with new claims 23 and 24, which are directed to subject matter deemed allowable by the Office. Accordingly, the enablement and written description rejections may be withdrawn.

No new matter has been added by any of these amendments, and Applicants note, for the record, that the current claim amendments were made solely for the purpose of expediting prosecution. Applicants reserve the right to pursue all canceled subject matter in this or future related applications.

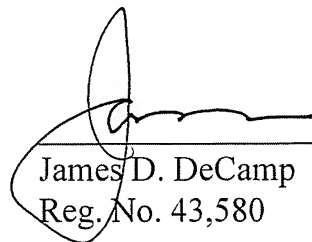

CONCLUSION

In summary, applicants submit that the claims are now in condition for allowance, and such action is respectfully requested.

If there are any additional charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
